

WDV-18, 18-GALLON WET/DRY VACUUM

A MUST-HAVE FOR YOUR CLEANING REGIMEN

The WDV-18 from Pacific Floorcare brings unmatched innovation when it comes to wet/dry vacuums. Simple innovation and construction flow through this product, and it brings new ingenuity to the industry's most helpful tool. With the impressive tilt-to-drain feature, it is a step above the rest.

- Drainage Innovation: Tilt-to-drain, no lifting or strain. Easily empty tank when no floor drain is available.
- Vacuum Lift: 90 inches H2O
- Cord Length: 50 feet
- Body Warranty: 10 years
- Convenient cord wrap on the vac handle. No more missing cords
- Safe & simple to use foot activated lever to engage squeegee head
- Easy to change squeegee - Two usable edges per blade. Change without tools.
- 18-gal tank capacity
- 1.25 HP VAC motor
- High impact resin roto-molded body
- Finance options are available - contact us for more info

APPLICATIONS

- Large, wet area clean-up
- Entryways & hallways
- Dusty environments
- Compliment floor machine equipment
- Many other broad scope of uses
